Michigan Shotcrete Construction Inc. is an innovative builder and renovator of residential swimming pools. Specializing in Shotcrete and Vinyl Liners. Michigan Shotcrete provides complete design build services, as well as 3D design. We go above and beyond code requirements providing you with the latest and greatest in construction techniques and equipment. We do everything in house and take pride in being able to dig, shoot, pour concrete, and plaster our own pools. All electric work is done by Rick's Electric and Fence by Fowlerville Fence. Besides these two contractors we do everything in house.

Fowlerville Fence provides the best craftsmanship in swimming pool fencing.
